

CALLANDER CAFÉ SUPPORTS CONSERVATION EFFORTS

Deli Ecosse in Callander is one of the first businesses in the Trossachs to 'OUR park' as we develop the scheme across the Park. They will be donating 5p of every drink sale to the scheme.

Owner of Deli Ecosse, Julie Carmichael said: "We are delighted to be members of the OUR park scheme. As an environmentally conscious business we are keen to make a positive contribution to the local area, and participating in the scheme is a great way for us to do this."

We welcome Deli Ecosse to the scheme!
